Tidbits from the D-1 Satellite meeting

Trash Talk

We are on the “B” collection cycle for bulk waste and recyclables. To get back into the swing of things, leave your bulk trash and recycle bins out at the curb for morning collection on Tuesday January 31st (and every other Tuesday after that). Yard waste collection will resume mid-April.

There have been problems with Advanced Disposal being so advanced in their collection that they advance right past full trash bins. If your trash has been left behind, call 313-436-8333. If you want/need to escalate your issue, call Richard Burko at 313-288-

Update From the Coalition to Stop Illegal Foreclosures

2018 is a special year for the Coalition because it is the year that we will accomplish our 3 primary goals: stop unconstitutional assessments, stop all owner-occupied homes from entering the auction, and provide reparations for those already dispossessed due to unconstitutional assessments.

The Coalition continues to work to preemptively stop illegal foreclosures by focusing efforts on direct relief such as making homeowners aware of Property Tax Exemptions that, if approved, eliminate property taxes completely, and systemic solutions such as working to make the forms easier to fill out and ensuring all improvements get codified into law (instead of lost when an ally takes a job elsewhere).

In addition, we are beginning a pilot program to restore homes and dignity to homeowners who have had their homes taken based on illegal assessments. This is all very exciting and is just the tip of the iceberg!

If you are interested in more information, would like to help, need a Property Tax Exemption application, or have a good joke to share, email Louella at louellapizzuti@gmail.com or give her a call at 707-782-6362.

Collecting 2018 Neighbors Building Brightmoor Annual Membership Dues

Payment of your annual dues means that you are a member in good standing of our community organization, and is required if you want to check out any of the tools from one of our two tool banks, e.g., shovels, rakes, hoes, lawn mowers, string trimmers, post-hole diggers, trash bags, step ladders, etc.
